CALL FOR PAPERS

Important Dates

Abstract Submission:
November 7, 2026

Presentation slides submission:
November 27, 2026

The GITW is a global inter-university workshop event focused on the latest advances in Information and Communication Technology (ICT). Its primary aim is to provide students with the chance to present their achievements in English and engage in discussions with other universities from around the globe. Furthermore, the workshop facilitates the exchange of academic information among faculty members and serves as a platform to promote international joint research collaboration.

ASPIRE Session:

The ASPIRE Project, supported by the Japan Science and Technology Agency (JST) is a pioneering governmental research program. At GITW, a joint session will be held with ASPIRE partners.

Details and registration here:

Topics of Interest

The GITW2026 will address challenges with realizing ICT over various sectors including technology and applications. We cordially invite original contributions in, but not limited to, the following areas:

- Communications Software and Multimedia
- IoT and Senser Networks
- Mobile & Wireless Networks
- Optical Networks & Systems
- Wireless Communications
- Machine Learning and AI
- Vehicular Cooperation and Control
- Assisted and Autonomous Driving
- Satellite, Airborne and Maritime Mobile Systems
- Next Generation Networking and Future Internet
- Computer Vision / Video and Image Recognition
- e-Health
- Big Data
- Quantum Communications
- Natural Language Processing
- Information Security and Privacy
- Image / Network Processing
- Digital Contents etc.

Organizer: G I T I Global Information and Telecommunication Institute WASEDA UNIVERSITY

Co-Organizers: HANYANG UNIVERSITY, Tsinghua University, National Taiwan University

Aspire section Co-Organizers: 慶應義塾大学 Keio University, NTNU Norwegian University of Science and Technology, Charles Sturt University, UNIVERSITY OF HOUSTON, MEMORIAL UNIVERSITY, UC DAVIS UNIVERSITY OF CALIFORNIA, QUEEN'S UNIVERSITY BELFAST

Supported by:
- The Institute of Electronics, Information and Communication Engineers (IEICE)
- Japan Science and Technology Agency (JST)

Participant Universities:

- Shanghai Jiao Tong University
- Institut Teknologi Sepuluh Nopember
- Kochi University of Technology
- Zhejiang University
- Kyoto University
- Southwest Jiaotong University
- Mawlana Bhashani Science and Technology University
- Seoul National University
